Dear Junior Parents and Students,

We have asked all juniors to fill out a questionnaire, which is due February 4th, to better enable us to guide your child through the college process. This information will be utilized in the following ways:

- recommendation writing
- alerting students to potential scholarship opportunities
- knowledge and awareness of any college legacy
- potential eligibility for financial aid and/or EOP/ HEOP/SEEK opportunity programs

We treat information given to us as confidential - it is not shared with colleges in any manner by HSAS. Students should not feel obligated or pressured to answer all of the questions, but we would appreciate as much information as you can provide so the needs and best interests of the student can be met during the college guidance process.

Upon completion and receipt of and signed consent, students will be scheduled for individual guidance conferences which will begin in the middle of February, and will continue throughout the Spring. Please remember our Junior Parent/Student Evening on March 25, 2008 at 5:30 pm.

Your cooperation is appreciated.

Sincerely,

Michele Harris
