High School of American Studies at Lehman College

10th Anniversary
Benefit Auction
March 18, 2012

Dear Donor,

The year 2012 marks the 10th anniversary of the High School of American Studies at Lehman College (HSAS), one of New York City's most competitive public Specialized High Schools. Located in the Bronx, HSAS admits academically talented students from all five boroughs. Through our collaboration with Lehman College, students have access to its campus library and athletic facilities, and take college classes and seminars in their junior and senior years. US News and World Report recently ranked our high school #19 of all public high schools in the nation!

Earlier this school year, a significant portion of our funding from the NYC Department of Education was eliminated. Another round of budget cuts is likely in the works. This leaves the school without funds to support essential programs and materials that broaden and enrich our student's education.

We need your help. The HSAS PTA is holding our First Annual Benefit Auction to raise funds that will help close the gap between what the DOE provides and what our students need to succeed. Please consider supporting our fundraising efforts marking our 10th anniversary year by donating to our auction. **Every donation is helpful!**

Please fill out the attached donation form and email it by February 28 to: HSAS10anniv@gmail.com, or send it c/o HSAS PTA Auction, High School of American Studies at Lehman College, 2925 Goulden Avenue, Bronx, NY 10468.

All donors receive exposure to our 375+ families in emails and all auction correspondence, as well as in our Auction Brochure. On behalf of our students, teachers, administration and families – we thank you in advance for your generous support!

With gratitude,

The HSAS PTA Benefit Committee
